INDEX

air conditioning and infections 127,128
ampoules, contamination of 110,120
anesthesia
agents for 104,105
drug addiction and 109,110
equipment, sterilization of 139-141
explosions 114,115,119
medicolegal problems of 107-109
aural surgery, preparation for 142
boric acid solution 132,133
burns, treatment of 129,130
cardiac-care units 51-77
design of 57,58,72,87
personnel 54,87
survival in 86,87
cardiac emergencies 56,57,69,73-75,87
cardiac patients
anesthesia for 85
emotional problems of ...81-83,84,85,86
preparation of 84,85
surgery of 84,89
cerebral aneurysm, surgery of ...101-103
clinical specialists in nursing 77-78
clothing in operating room .49,114,115,119, 120,121-123
cobalt sterilization 112
communications 6-10,14,15
conductive floors and footwear ...114,115
containers, sterilization of 131
coronary-care units—see cardiac-care units
cultures
nose and throat 126
personnel 127,128
shoes 127
wounds 127
curriculum planning 27,40,41
Dakin's solution, as cytocidal agent ... 50
drainage, underwater-seal 91-95
ear—see aural surgery
education
inservice 20-24,25-27,46
in cardiac-care unit 54,55
electrical equipment
cardiac-care unit 58,87
operating room 115
oxygen therapy and 116-118
emergency teams 57
endoscopy 100,101
ethylene-oxide sterilization
anesthesia equipment 139-141
hemolysis and 141,142
vascular grafts 131
wrappers for 133
evaluation, personnel 11-13,17,18
explosions, anesthesia, hazards of
basins and buckets 114
electrical fixtures 115
vaporizers 119
fire
with anesthetic gases 119
in respirator 116-118
floors, conductivity of 114,115
footwear
conductivity of 115
culture of 127
formaldehyde and steam disinfection ..142
glove basins 114,132
head coverings 126
heart, physiology of 60-64
hemorrhage, control with metallic film .113
housekeeping in operating room 49
hypoxemia 106
hyperbaric oxygen, use of 98-100
implants, silicone 131,132
infections
air conditioning and 127,128
aural 142
cultures for 126,127,128
endotracheal 103,104
injections and 110,120
intensive-care unit 49
isolation for 127
neurosurgical 120
operating-room design and 123-125
instruments
endoscopic- 100,101
sterilization of 130
intensive-care units
accident cases in 50
infections in 49
medicolegal responsibilities of 74
psychological problems of patients in 82,83
use of 79,80
interpersonal relationships 14,15
in intensive care 80
isolators and isolation 125,127
linen, care of 129,130
medicolegal responsibilities ..18,19,53,74, 107-109
metal prostheses, reactions from 90
monitoring, electronic 58,59,68,69
needles, care of 130,131
neurosurgery
cerebral aneurysms 101-103
headrest for 113
infections in 120
nurses
evaluation of 11-13,17,18
general duty in operating room .126,127
professional as clinical specialists ..77,78
nursing care
in cardiac emergencies 73-75
cardiovascular 75-77
cerebral aneurysms 101-103
after organ transplants 97,98
nylon in operating-room clothing ..114,115
operating room
clothing in ...49,114,115,119,120,121,123
custodian in 49
design of 123-125
electrical fixtures in 115
floors in 114,115
housekeeping in 49
teaching in 20-24,28-38,39-41,42-46
organ transplants 95-98
oxygen
grades of 114
hazards of 116-118
pacemakers
sterilization of 133
types of 88,89,90
personnel, communications with 8,9
plastics, ethylene oxide's effects on 141,142
polyurethane sponge for
skin disinfection 134-138
procedure manual 9,10
psychological patient problems .81-83,84,85
respirator, fire in 116-118
resterilization 129
scrub suits—see clothing
shock
anesthesia and 105
treatment of 65-69
showering and shedding 128
silicone implants 131,132
silver nitrate in burn therapy 129,130
skin disinfection
polyurethane sponge for 134-138
showering and 128
for thoracic surgery 112
solutions, disposal of 132
storage, sterile supplies 128
suction, equipment and technic for ..91-95
surgical laboratory 79
surgical technical aides
salaries for 36
selection of 31,39,40
training of 28-43,44,45
terminal care of operating room 126
thoracic surgery
preparation for 112
suction after 91-95
tracheostomy
sterilization tubes for 131
uses of 103,104
trousers, nurses'—see clothing
unit managers 16,17
ureteral catheters, sterilization of 141
vaginal preparation 133
venous catheters 66,67,68
visits
in cardiac-care unit 57
preoperative by nurse 7,8
wall coverings 114
wire sutures 90,91
wounds
cultures of 127
irrigation of 50
wrappers, sterilization 128,129,133
x-ray exposure, hazards of 114,115
